## Inaugural National Day of STEM: The Power of STEM

A nation-wide day of online engagement around the power of STEM in our schools and our lives. Find new content and conversation with STEM experts at the following times, using #PowerofSTEMDay on twitter!

10AM ET

### 10AM ET: THE POWER OF STEM CAREERS

The world premiere of two career profile vignettes introduces your students to varied career opportunities in engineering and manufacturing. [www.siemensstemday.com](http://www.siemensstemday.com)

12PM ET

### 12PM ET: THE POWER OF CURIOSITY

An interactive twitter chat gives you the chance to discuss the state of STEM learning with Discovery Education STEM experts. Twitter: #PowerofSTEMDay

2PM ET

### 2PM ET: THE POWER OF CONTENT

Be the first to dive into five brand new activities for grades 9-12, which explore diverse, engaging topics from biomimicry to satellite telemetry and intelligent design. [www.siemensstemday.com](http://www.siemensstemday.com)

4PM ET

### 4PM ET: THE POWER OF POSSIBILITY

Don't miss it: we'll make an exciting announcement, live on twitter and Facebook at 4PM ET! Find us using #PowerofSTEMDay  
Twitter: #PowerofSTEMDay

Be among the first educators to ask a question or post a photo using #PowerofSTEMDay combined with #giveaway to receive a gift card of up to \$25!

Recipient shall not accept this gift card if accepting such gift card is prohibited by any policies or procedures with which such recipient or recipient's employer is required to comply.
